potrillo
galopando
campo
pollito
gallo
gallina
tres

New Words

mare
colt
galloping
pasture
chick
rooster
hen
three

2 - El Libro del Dos - The Book of Two

El Libro del Dos ~ The Book of Two shows photos of different farm animal pairs on each page with the numeral two and corresponding text in English and Spanish. This book is designed to help children build basic math concepts of understanding the concept of number, developing basic counting techniques and identifying one-to-one correspondence.

[ISBN: 978-1-935737-21-6; 16 Pages]

Palabras Nuevas

gatos
vacas
borregos
llamas
chivos
caballos
dos

New Words

cats
cows
sheep
llamas
goats
horses
two

4 - El Libro del Cuatro - The Book of Four

El Libro del Cuatro ~ The Book of Four introduces basic addition and subtraction equations ($1 + 1 + 1 + 1 = 4$) while children count the animals in the photographs. Narrative in English and Spanish describes what's happening in the photos. This book is designed to help children build basic math concepts of understanding the concept of number, developing basic

Palabras Nuevas

gallinas
escarbando
granitos
cero
dominós
cuatro

New Words

hens
scratching
grain
zero
dominoes
four

5 - El Libro del Cinco - The Book of Five

El Libro del Cinco ~ The Book of Five introduces addition and subtraction while children count the animals in the photographs. Narrative in English and Spanish describes what's happening in the photos. This book is designed to help children build basic math concepts of counting concrete objects to five, identifying one-to-one correspondence, and recognizing the concepts greater than and less than.

[ISBN: 978-1-935737-24-7; 16 Pages]

Palabras Nuevas

biblioteca
fútbol soccer
más que
menos que
más grande
más pequeño

New Words

library
soccer
greater than
less than
biggest
littlest

3 - El Libro del Tres - The Book of Three

With photos of farm animals in sets of one, two and three, *El Libro del Tres ~ The Book of Three* introduces basic addition and subtraction equations ($1 + 2 = 3$) with descriptive text in English and Spanish. This book is designed to help children build basic math concepts of understanding the concept of number, developing basic counting techniques and identifying one-to-one correspondence.

[ISBN: 978-1-935737-22-3; 16 Pages]

6 - Vamos a Contar Hasta el Cinco ~ Let's Count to Five

Vamos a Contar Hasta el Cinco ~

Let's Count to Five presents photos of different farm animals on each page with the numerals one through five and corresponding text in English and Spanish. This book is designed to help children build basic math concepts of counting concrete objects to five and comparing the numbers of concrete objects.

[ISBN: 978-1-935737-25-4; 16 Pages]

Palabras Nuevas

cerca de
potrillo

in
between
far away
palomino horse
near
foal

9 - El Libro de los Opuestos - The Book of Opposites

The photographs in *El Libro de los Opuestos ~ The Book of Opposites* compare farm animals and scenes with each other (small-large, more-less, etc.) in relation to each other with descriptive text in English and Spanish. This book is designed to help children build math concepts of making comparisons between objects, and describing similarities and differences between objects.

[ISBN: 978-1-935737-28-5; 16 Pages]

7 - El Libro de las Formas - The Book of Shapes

With photos of farm scenes, *El Libro de las Formas ~ The Book of Shapes* highlights shapes in the natural world, with descriptive text in English and Spanish. This book is designed to help children develop concepts of shape.

[ISBN: 978-1-935737-26-1; 16 Pages]

Palabras Nuevas

corazón
cuadrado
octágono
triángulo
óvalo
rombo
rectángulo
estrella
círculo
pentágono

New Words

heart
square
octagon
triangle
oval
rhombus
rectangle
star
circle
pentagon

Palabras Nuevas

alto - bajo
grande - pequeño
viejo - nuevo
flaco - gordo
liviano - pesado
estrecho - ancho
arriba - abajo
ninguna - algunas

New Words

tall - short
large - small
old - new
thin - fat
light - heavy
narrow - wide
higher - lower
none - some

10 - Una Semana de Opuestos - A Week of Opposites

Una Semana de Opuestos ~ A Week of Opposites presents photos of farm animals in different positions, relationships and settings (asleep-awake, big-little, etc.) with descriptive text in English and Spanish, including days of the week. This book is designed to help children build basic concepts of describing similarities and differences between objects.

[ISBN: 978-1-935737-29-2; 16 Pages]

8 - El Libro de las Ubicaciones - The Book of Positions

The photographs in *El Libro de las Ubicaciones ~ The Book of Positions* show farm animals in different positions (under, next to, above, etc.) in relation to each other with descriptive text in English and Spanish. This book is designed to help children build math and spatial sense concepts of using words to indicate location.

[ISBN: 978-1-935737-27-8; 16 Pages]

Palabras Nuevas

ubicaciones
sobre
al lado de
debajo de
detrás de
frente a

New Words

positions
on top of
next to
under
behind
in front

Palabras Nuevas

oscuro - claro
vacío - lleno
ayer
cuernos
nido
lana

New Words

opposites
forward - backward
standing up - lying down
dark - light
empty - full
yesterday
horns
nest
wool

11 - El Libro de Acciones ~ The Book of Actions

El Libro de Acciones ~ The Book of Actions shows photos of farm animals performing different actions (drinking, sleeping, smiling, etc.) with corresponding text in English and Spanish. This book is designed to help children build basic physical development concepts of exploring moving in space and moving the body in different ways (e.g., running, jumping, hopping).

[ISBN: 978-1-935737-30-8; 16 Pages]

Palabras Nuevas

saltando
comiendo
descansando
escondiéndose
mirando
sonriendo
bebiendo

New Words

jumping
eating
resting
hiding
looking
smiling
drinking

12 - Todos Tenemos una Voz ~ We All Have a Voice

With close-up photos of farm animals, *Todos Tenemos una Voz ~ We All Have a Voice* describes in English and Spanish the sound each animal is making and invites the reader to make each sound. This book is designed to help children build concepts of verbal expression in making comparisons among various verbal expressions and concepts of social development in recognizing verbal expression among living things.

[ISBN: 978-1-935737-31-5; 16 Pages]

Palabras Nuevas

voz
borrego
cerdo
gallo
gallina
pollito
paloma

New Words

voice
lamb
pig
rooster
hen
chick
dove

13 - Todos Tenemos Algo que Aportar ~ Each One of Us Has a Gift to Give

In rhythmic patterns, *Todos Tenemos Algo que Aportar ~ Each One of Us Has a Gift to Give* describes in English and Spanish the gifts the animals in the photographs give and then invites the reader to think of his or her own gifts. This book is designed to help children build social development concepts of recognizing the gifts of others and one's own gifts, and recognizing that we all have gifts to give.

[ISBN: 978-1-935737-32-2; 16 Pages]

Palabras Nuevas

aportar
lana
fuerza

New Words

give
wool
strength

gallinas
alimentarnos
cobijas
trabajo

hens
nourish
blankets
work

14 - Conociendo el Cuerpo ~ Learning About My Body

Conociendo el Cuerpo ~ Learning About My Body describes in English and Spanish the animals' body parts and asks the reader to find those same parts on themselves (eyes, ears, etc.). This book is designed to help children build personal and social development concepts of recognizing body parts and their functions.

[ISBN: 978-1-935737-33-9; 16 Pages]

Palabras Nuevas

cabeza
cuello
pies
nariz
piernas
ojos
boca
dientes
orejas
lengua
manos
patas

New Words
